CONDITIONERS

Pro-Moist Mask I (For Chemically Treated Hair)

An ultra-rich formulation that conditions and detangles chemically treated hair. This deep penetrating moisturizing treatment is formulated for severely damaged and dry hair. Pro-Moist Mask I is made with a unique combination of aloe vera, shea butter, mango butter, vitamins A and E, proteins, fatty acids, botanical and fruit extracts that work together to nourish the weakest hair back to good health. A special blend of hair keratin and silk amino acids has been added to yield a true hair mask. 8 fl. oz.

Pro-Moist Mask II

(For Natural Non-Chemically Treated Hair)

An ultra-rich, deep penetrating, moisturizing treatment is formulated to condition and moisturize natural non-chemically treated hair. Pro-Moist Mask II conditioner is formulated with Nature's Prescription's unique formula of strength building proteins and vitamins which penetrate, hydrate while rejuvenating the hair shaft. This special blend of aloe vera, Vitamins A & E, exotic butters, and botanical extracts stimulate the scalp while increasing circulation. Natural fruit extracts add moisture and nutrients to the shaft while natural oils add luster and shine. 8 fl. oz.
