The aloe vera hair maintenance system
recommended by pharmacists

PRE-SWIM CONDITIONER

Pre-Swim

A special formulation designed to protect and moisturize the hair prior to swimming or other outdoor water activities. Its unique formula creates a moisture protecting barrier which protects the hair from "swimmers hair" or "green hair" caused by chlorine or salt water.

Pool water, although soothing to your body, can be very hard on the hair. The chlorine used to destroy bacteria can also strip moisture from your hair or even turn it green. A natural sun protectant and a light sun-screen have been added for additional protection. 8 fl. oz.
