

## Conditioners

### Pro-Moist Mask I (For Chemically Treated Hair)

This deep penetrating treatment is formulated to repair severely damaged and dry hair. It's unique combination of vitamins, proteins, fatty acids, natural oils, moisturizing herbal botanicals and fruit extracts work together to nourish the weakest hair back to good health.

### Pro-Moist Mask II (For Natural Hair)

This deep penetrating, detangling conditioner is formulated with strength building proteins. It also contains vitamins which penetrate, hydrate and rejuvenate the hair shaft. The natural fruit extracts add moisture, as well as nutrients to the hair shaft while natural oils add luster and shine.

### Pre-Swim Protectant

This special formula is designed to protect and moisturize hair prior to swimming. Its unique formula creates a moisture protecting barrier, which protects the hair from "swimmers hair" or "green hair" caused by chlorine or salt water.

## Moisturizer

### M.I.S.T. (Moisture Infusion Steam Therapy)

This daily moisture replenishing lotion is the perfect prescription for healthy hair. This unique moisture released formula is designed to replenish lost moisture, recover diminished elasticity and resiliency to the hair shaft.

## Styling Products

### Silky Control Lotion

This is a light-weight, deep conditioning, styling lotion designed to replenish lost moisture to dry, damaged hair. It is formulated to add shine, manageability, eliminate frizz and control fly-aways.

### Silky Control Cream

This is a medium-weight, deep penetrating styling cream. It is designed to detangle and control thick, coarse hair while replenishing lost moisture to dry, damaged hair. Formulated to add shine, manageability, eliminate frizz and control fly-aways.

## Testimonials From Satisfied Customers

*"I've tried it myself and could not believe the difference after one use. The main ingredient, aloe vera helped my hair feel softer and look smoother."*

**Lizz Harmon (Tampa, FL)**

*"Thank you, thank you, thank you! My mother's bald spot has closed in and she raves about your products."*

**Robyn Conyers (St. Petersburg, FL)**

*"I have grown more than five inches on the side, and shoulder length on the back. All this happened in less than a year. Nature's Prescription products are the only products i use and will continue to use."*

**Evet R. Flanagan (Oakland, CA)**

*"I've tried different products before but none of them worked. My hair came out about five years ago, only in the top front of my head, completely out like men's hair recedes. This is the only product that made my hair come back. I use the M.I.S.T. daily and will continue to do so. Please don't stop making it, because it is a great product."*

**Joyce A. Primus (Tampa, FL)**

*"I searched for a product that would counter-act the effects of the harsh chemicals, chlorine and the dry conditions of the desert. Successfully, I was able to locate Nature's Prescription on the web. Your products are wonderful! The Pre-Swim conditioner provided a remedy and I have improved hair growth and strength. Thank you Nature's Prescription."*

**Hazel Love (Lancaster, CA)**

*"My hair was extremely dry, thinning and prone to breakage. But since I started using the M.I.S.T. my hair became less dry, which resulted in less breakage. I'm very pleased with Nature's Prescription products and would highly recommend them."*

**Gwen P. Terrell (Parkland, FL)**

Aloe Vera Hair Maintenance System

[naturceutics.com](http://naturceutics.com)

## Developed by a Pharmacist

Nature's Prescription was developed by Florida A&M University trained pharmacist: **Winifred Bate-Pope, R.Ph.** Now you too can benefit from her 25 plus years of experience in compounding prescription pharmaceuticals and hair treatment research. Best of all, the Nature's Prescription product line is not watered down, made with harsh chemicals or drying alcohols that can damage your hair and scalp. Our formulas are the perfect combination of aloe vera gel, shea butter, mango butter, natural oils, herbal extracts, vitamins and proteins.

# Nature's Prescription™

Aloe Vera Hair maintenance System

**Recommended by Pharmacist**

**"with aloe vera, shea & mango butters"**

- promotes healing & stimulates circulation
- encourages growth of new hair
- replenishes lost moisture to hair
- provides protein building amino acids
- de-tangles thick coarse hair
- prevents & stops hair breakage

### **What's so special about Nature's Prescription™?**

It's the aloe vera base! Our products are made with this very special healing agent that has been used for thousands of years. Aloe vera! It's one of the most widely used substances in the United States for the treatment of burns, it is used in cosmetics as well as a topical ointment for sunburn. All our products are aloe vera based. Aloe is the perfect treatment for sun damaged, dry, brittle and chemically damaged hair.

*About our products...*

### *Shampoo*

#### **MVP Formula** (Moisture, Vitamin & Protein)

This moisture, vitamin and protein enriched shampoo is formulated with gentle cleansers, moisturizing natural oils, and strength building natural proteins. This aloe vera based shampoo is designed to restore, replenish and rebuild over processed, weak, damaged hair. MVP's unique formula combines key ingredients for building a healthy head of hair.

#### **Stimulating Formula**

This shampoo is designed to improve thinning and slow growing hair. It is formulated with extra mild cleansers to clean the hair and scalp, botanical extracts that increase scalp circulation, stimulate hair follicles and encourage new hair growth.

#### **Volumizing Formula**

A creamy moisture rich aloe vera based shampoo specially formulated with vitamins and proteins. It also adds body, shine and fullness to fine or limp hair.
